## INTERGALACTIC STOUT

THIS IS A BEER INSPIRED BY A 1980'S SPACE INVADERS GAME PLAYED IN JAPAN'S CAPITAL. THE IRONY OF EXISTENTIALISM, THE PARODY OF BEING AND THE INHERENT CONTRADICTIONS OF POST-MODERNISM, ALL SO DELICATELY CONVEYED BY THE PIXELATED ARCADE ACTION HAVE BEEN PAINSTAKINGLY RECREATED IN THIS BOTTLE'S CONTENTS. WE BREW THIS COMPLEX IMPERIAL STOUT WITH COPIOUS AMOUNTS OF

SPECIALITY MALTS, JASMINE AND CRANBERRIES, DRY-HOP IT WITH A BUCKET-LOAD OF OUR FAVOURITE HOPS THEN CAREFULLY AGE IT ON FRENCH TOASTED OAK CHIPS. IT'S ALL ABOUT MODERATION. EVERYTHING IN MODERATION, INCLUDING MODERATION ITSELF. WHAT LOGICALLY FOLLOWS IS THAT YOU MUST FROM TIME TO TIME, HAVE EXCESS. THIS BEER IS FOR THOSE TIMES.
